Customer Reviews

Very good information for your loved pet!

Good book about natural pet care. Covers a lot of topics, and has good info in it. Very interesting!

I bought this book for my daughter who got a beautiful and sweet Border Collie mix from the Shelter. After about 6 months the dog had what appeared to be a seizure and continued to have them every 4 - 6 months. The book was informative and helped relieve a lot of her anxieties and gave her direction in what to do during and after a seizure. The book is helpful and provides natural pet care. It is not a complete work on the medical condition and lacks a great deal in providing all the medical solutions for this disorder. The book was promptly shipped in excellent condition.

VERY DANGEROUS BOOK . IT IS P OISON TO KILL YOUR DOG. I FED MY DOG THE HEALTH P OWDER REC EIPT IN IT FROM DR. PITC AIRN RE PUBLISHED HERE. THEY SAY TO FEED

TORULA YEAST BUT DONT TELL U WHAT ITS MADE OF TORULA HAS ARSENIC , LEAD, MERCUREY AND OTHER HEAVY METALS AND ECOLI. MY DOG IS DIEING NOW WITH DOUBLE CLUSTER SEIZURES HE WAS DOING GOOD 2MTH WITHOUT THEN MTHLY NO CLUSTER AND LITTLE NOW HE IS CRITICAL 20 IN ONE DAY 2 NITS NO SLEEP EVERY FIVE MINS DUE TO THE LEAD OR METAL AND POISON THIS BOOK TOLD ME AND I TRUSTED THIS BOOK AND THE DR. FAMOUS PITCH AIRN I CALL HIS ORG AND AUTHOR THE AUTHOR SAID SHE WROTE IT 15YRS AGO SHE DONT KNOW ABOUT TORULA YEAST NO ONE HELP WITH TORULA OR YEAST INFO. LAKE STATE S SUPPLIER SENT ME TECH SPEC DATA SHEET ON TORULA TYPE B SHOWING THE POISON IN IT. I BOUGHT NATURE LIFE YEAST RNA/DNA ON AND POISONED MY SICK DOG ONLY 4YR OLD BROUGHT ALL THE WAY FROM EGYPT TO USA NOW HE IS SUFFER AND DIEING FROM LEAD FROM THIS STUPID DOCTOR AND BOOK. DONT BUY THIS BOOK.

This book answered all my questions on my pet's epilepsy and thanks to the advice inside, we were able to better manage our pet's condition.

For anyone who has endured the experience of watching a dog or cat have a seizure this book can be a godsend. Not only does it provide helpful holistic strategies that really work--it's a one of a kind book. Pet owners who have pets prone to seizures are often left helpless. They don't know who to turn to. In result, they end up scared, frustrated and believe conventional medicine is the only solution. It's not. My book which provides wonderful strategies from top holistic vets nationwide offers aid to any pet owner who wants help and is willing to try a healthful, alternative route to lower the risk of seizures. I believe that my research and doctors' words of wisdom and expertise can and will help their beloved pets. For those who have an open mind and are willing to explore the vast world of alternative medicine this book may be the solution you're looking for.

This is a great book but this pricing must be a typo. You can get this book for \$6.95 at Only Natural Pet's website online.
