Customer Reviews

My good friend and mentor Chad Thompson is the greatest at mentoring people to change their lifestyle. To be only 28yrs old he's way ahead of his time and I appreciate everything that he stands for. Awesome Book to read, can't wait until his next one hits the stands.

This is from the heart of a very humble man. I have had the pleasure of meeting him and who he is is exactly how the book comes across. The information he shared has already helped me become a better leader, and person. Stay humble.
