While this book contains a great deal of information, it does not have all of the information that is available on the Internet. It is written to inspire you about the destination rather than act as a full travel guide that you could use to get from point A to point B or to specific addresses/locations during your tour.

## Customer Reviews

Old and out of date. The author is not a native English speaker-Very poor grammar and odd sentence structure. It is a waste of money.
